# PSN service provision compliance certificate

This is to certify that

**Stellium Datacenters Ltd**

has had its compliance reviewed and has demonstrated that its

**SRV\_0483 - DC/Metro Ethernet Service**

service is sufficiently secure to be made available to PSN-connected organisations during the following period

**28 October 2020**

date issued

**28 October 2021**

expiry date

For and on behalf of the Public Services Network

Mark Smith  
PSN Head of Compliance

This Public Services Network (PSN) service provision compliance certificate is issued following completion of the PSN Service Security Standards (PSSS) process. It shows that your organisation has successfully demonstrated to the PSN team that the above service is suitable for handling public sector information at OFFICIAL and does not present an unacceptable risk to the security of the PSN. Your certificate is valid until the expiry date shown above. It may be withdrawn at any time in accordance with the PSN Code of Practice (CoP) if it is found that the certified service no longer meets the agreed standard.
